01 Company Profile

Founded in 2012 in Fuzhou, Fujian — one of China's core garment manufacturing regions — Fujian Rising Outdoor Products specializes in the design and production of outdoor workwear and PPE for professional brands.

We work with workwear brands, importers and distributors across Europe, the United States, Canada and Australia, producing to EN ISO 20471, ANSI/ISEA 107, CSA Z96 and AS/NZS 4602.1 standards.

Our focus: durable products, honest communication, and deliveries our partners can plan around.
